

GIVE BASIC NECESSITIES

TO PEOPLE SEEKING REFUGE IN EUROPE

No Place Like Home provides shoes and clothing to those who have fled to Europe to escape war or persecution, and we need your help!

The people we serve reached the shores of Europe with little more than the clothing on their backs. More than a year later, many are still waiting, hoping to gain legal residency.

Our most critical need is always funds for shipping.

Please consider donating funds with your clothing donations to help get them shipped (cash, check, Crowdrise, or Paypal).

Men's small and medium clothing, and men's shoes, sizes 8 ^{1/2} to 10 ^{1/2} are also always in short supply.

We are a 501(c)3 tax-exempt non-profit organization.
